

# S&P Global CSA (DJBIC) 2025 Index

The S&P Global Corporate Sustainability Assessment (CSA) is an annual evaluation of companies' sustainability practices. It covers over 10,000 companies from around the world. The CSA focuses on sustainability criteria that are both industry-specific and financially material and has been doing so since 1999. The metrics and information presented throughout this document are for Akamai Technologies, Inc. ("Akamai," "we" or "our"), including our subsidiaries.
