

Statement of Attestation

This statement of attestation is provided by ERM Certification and Verification Services (ERM CVS) following an independent assessment of the self-declaration of conformity to ISO 14001:2015 by Akamai Technologies.

ISO 14001:2015

Period of Validity	1 Year	Version No	2
Valid From	25 July 2026	Valid To	24 July 2027

ATTESTATION

Akamai Technologies has developed a management system to meet the requirements of ISO 14001:2015 which is implemented at the sites listed in Appendix 1. ERM CVS undertakes an ongoing risk-based assessment programme to confirm the effectiveness of the control activities of the central function. This includes visits to a sample of Akamai Technologies' facilities/sites to assess effectiveness of the management system implementation. On the basis of this assessment programme ERM CVS confirms Akamai Technologies' self-declaration of conformity with ISO 14001:2015.

OUR INDEPENDENCE, IMPARTIALITY, INTEGRITY, AND QUALITY CONTROL

ERM CVS is an independent certification and verification body accredited to ISO/IEC 17021:2015. Accordingly, we maintain a comprehensive system of quality control, including documented policies and procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements. ERM CVS applies a Code of Conduct and related policies to ensure that its employees maintain integrity, objectivity, professional competence, and high ethical standards in their work. Our processes are designed and implemented to ensure that the work we undertake is objective, impartial, and free from bias and conflict of interest.

This statement of attestation remains the property of ERM CVS and can be withdrawn for reasons mentioned in the contract or in case significant non-conformance against the standard is found.
